- Amirbeigi, A., Abbaslou, F., & Elyasina, F. (2022). Laparoscopic sleeve gastrectomy in a patient with Situs Inversus Totalis: A case report and literature review. *Annals of Medicine and Surgery*, 104101.
- Zeinalinejad, H., Pourseyedi, B., Rahmani, H., Najmadini, M., Ebrahimi, M., Jashnani, M. S., ... & Pourdavood, A. H. (2019). Clinical complications of hemorapy device versus Milligan-Morgan hemorrhoidectomy in patients with hemorrhoids in 2017-2018. *Journal of Surgery and Trauma*, 7(4), 135-140.
- Zeinalinejad, H., Pourseyedi, B., Rahmani, H., Amirbeigi, A., Najmodini, M., Ebrahimi, M., ... & Pourdavood, A. H. Clinical complications of hemorapy device versus Milligan-Morgan hemorrhoidectomy in patients with hemorrhoids in.
- Lashkarizadeh, M. R., Pourdavood, A., Salehi, A. R., & Amirbeigi, A. (2019). Comparing the effect of ethanol amine, Povidone-iodine and talcum powder on induction of Pleurodesis in rats. *Journal of Mazandaran University of Medical Sciences*, 29(178), 107-114.
- AHMADINEJAD, M., SHEIBANI, V., Noruzi, M., Amirbeigi, A., & Assar, S. (2020). Comparison Of the Effect of Deka-Titan Analgesic Bracelet with Placebo on Pain Control in Patients After Inguinal Hernia Surgery: A Double-Blind Randomized Clinical Trial.

5.2. Projects

- Assessment of efficacy of Sleeve Gastrectomy and mini gastric bypass surgery on improving of type 2 diabetes in morbid thoraobese patients with body mass index 35-50 kg/m²
- Assessment of efficacy of the mini gastric bypass surgery on improving of type 2 diabetes in patients with body mass index lower than 35
- Evaluating the effectiveness of adding oral carbohydrates to enhanced recovery after surgery (ERAS) protocol on the postoperative complications in the candidates for bariatric surgery
- Design, Implementation and Evaluation of Educational Curriculum in "Clinical Informatics" for Medical Universities in Iran: Part 2- Content Development and Blended Learning
- Evaluation of the effect of dairy product donkey's milk on the severity of symptom of COVID19 outpatients in Kerman province
- Evaluation of the effect of traditional Iranian medicine product incorporated in the base of Astragalus gossypinus with Ferula assa capsule on improvement of clinical menifestation of COVID 19 outpatient patients with conventional protocol in Kerman province

- Death Anxiety, Hopelessness and Social Support of Hospitalized Patients with Cancer in Shahid Bahonar medical education center affiliated with Kerman University of medical science, Kerman, Iran, 2020
- Evaluation of the effect of traditional Iranian medicine product incorporated in the base of *Astragalus gossypinus* with food spice on improvement of clinical manifestation of COVID 19 patients with conventional protocol in Kerman hospitals, Iran
- Death Anxiety, Hopelessness and Social Support of Hospitalized Patients with Cancer in Shahid Bahonar medical education center affiliated with Kerman University of medical science, Kerman, Iran, 2020
- Comparison of Glasgow coma scale (GCS) with full outline of unresponsiveness (FOUR) scores for determination of prognosis in traumatic brain injury
- Comparison of intercostal nerve block with ultrasound guided erector spinae plain block to achieve analgesia in chest trauma
- Design, implementation and evaluation of educational curriculum in "Clinical Informatics" for medical universities in Iran: Part 1- Need assessment and curriculum development
- investigation of the Prevalence of bleeding and its related factors due to Central Venous Catheter insertion in thrombocytopenic patient's sonography guided In Shahid Bahonar and Shafa hospitals in March 2020 to September 2021
- evaluation of central venous pressure in autoimmune neurological patients needing plasma exchange in Neurology ward between 1398-99
- Evaluation of the volume reduction of upper limb and improvement of its function following omental lymphovascular flap in cubital area in patient with chronic lymphedema secondary to modified radical mastectomy
- Chamomile topical effect on treatment of fissure disease in male patients referring to Shahid Kerman clinic
- Determination of sensitivity, specificity and likelihood ratio of C-reactive protein in patient with cholelithiasis and acute cholecystitis
- Study of the Effect of Deka-Titan Bracelets on the Control of Pain, Nausea and Vomiting in Patients After Inguinal Hernia Surgery
- Effect of the use of methylene blue and Beets juice in reducing iatrogenic ureteric injuries in abdominal and pelvic surgery
- The role of prophylactic antibiotics on surgical site infections in elective laparoscopic cholecystectomy in patients admitted to Bahonar and Afzal poor hospitals in Kerman in first half of 1397
- Assessment the relationship between serum and salivary level of morphine in opium addicted patients who underwent an operation in Kerman Bahonar hospital
- Investigating The Experiences of Women in Reducing Labor Pain in Kerman 2017-2018
- Comparison Of the Effect of Topical Gel Treatment of Chamomile Extract with Internal Sphincterotomy in Patients with Anal Fissure in Hospitals of Kerman University of Medical Sciences 96-97
- Prevalence of chronic pains after mastectomy surgery at Bahonar hospital in 1395-1396
- Comparison of post-operative pain after Lichtenstein and total abdominal preperitoneal herniorrhaphy (TAPP)
- Comparison of clinical outcomes of two surgical procedures Milligan-Morgan and Milligan-Morgan technique and Hemorrhoidectomy combination in patients with hemorrhoids in the 97-1396
- Comparison between emergency rapid sequence intubations with and without apneic oxygenation regarding arterial oxygen desaturation in the time of tube placement
- comparison of clinical outcomes and complications between knee joint replacement simultaneously and spaced 48 hours
- Crowd Simulations and Determining the Critical Density Point of Emergency Situations

5.3. Books & guidelines

- Translate and edit national guideline of the trauma
- Translate the Larans of surgery
- Compilation the concepts of Laparoscopic for general surgery
